

**SUMMER WORKSHOPS at CAUL, 2013**

***Algebraic structures and semigroups***

July 5, 2013, Room B1-01

July 5, 2013	
13:30 – 14:20	<i>Infinite monoids as geometric objects</i> Robert Gray (University of East Anglia)
14:20 – 15:10	<i>Inverse semigroups and groupoids via quantales</i> Pedro Resende (Instituto Superior Técnico)
	Coffee break
16:00 – 16:50	<i>Unary FA-presentable algebraic and combinatorial structures</i> Alan Cain (Universidade do Porto)
16:50 – 17:40	<i>Conjugacy in semigroups: a rewriting perspective</i> António Malheiro (Universidade Nova de Lisboa & CAUL)

**Organizers:** Vítor Hugo Fernandes, Gracinda Gomes

**Registration:** Please send a message by email to [patricia-paraiba@ul.pt](mailto:patricia-paraiba@ul.pt) with the following information: name, institution, email address and workshop(s) you would like to participate in. **No charge** for registration.
